“Frick Rexall Drug Store Burglary”

On 05/31/2009 at approximately 4:50 AM Frick Rexall Drug Store in Sequim was burglarized. Officers were dispatched and responded immediately. When officers arrived the front door was open, the Sequim Police Department K-9 Officer Mike Hill was called to the scene with K-9 Chase. The building was searched and the suspect(s) were not in the building and had left the area. There was slight damage to the building where entry was made. The pharmacy was targeted, nothing was taken during the burglary. Photographs from the store surveillance system may be released to the public at a later date.

There have been additional burglaries/attempted burglaries at this location during the past six months. In February the suspect(s) gained entry into the building and stole prescription narcotics from the locked pharmacy. In 2005 there was a burglary in which an arrest was made.

This is an ongoing investigation and we are seeking the help of the community. If you have information regarding this investigation you are asked to call the Sequim Police Department at 360-683-7227 reference case number S09-2513.
