On February 17, 2010, detectives assigned to the Olympic Peninsula Narcotics Enforcement Team (OPNET) and officers with the Sequim Police Department served a search warrant at a residence in the 1000 block of W Deseret Avenue in Sequim. The search warrant was the result of an investigation into the sales of methamphetamine and prescription pills.

Taken into custody without incident was Heidi E. Irwin-Loran, age 37, and James C. Loran, age 39. A quantity of methamphetamine, prescription pills and cash was seized from the residence.

Irwin-Loran and Loran were subsequently booked into the Clallam County Correctional Facility on charges of delivery of controlled substances and possession with intent to deliver controlled substances.

The case file will be forwarded to the Clallam County Prosecutor's Office for the formal filing of charges.
